We Are Family

So, I'm writing a story with all my fav animated characters as an adopted family. I'm using "The Hunchback of Notre Dame," "HTTYD," "Frozen," "Tangled," "ROTG," and "Tarzan," characters for this.

Phoebus and Esmeralda: *You guys kind of know them already. Basically, it's just modernized. Phoebus is a Police Captain and Esmeralda is a stay at home mom*

Uncle Quasi: Very close to the children. Metalworker.

Uncle Clopin: Mischevious, entertaining. Works as a comedian, puppeteer and singer.

Zephyr: Zephyr is Esmeralda and Phoebus' only child by birth. He loves his adopted siblings and would do anything to help them out. He is 8 years old. (From The Hunchback of Notre Dame 2)

Hiccup Haddock: Hiccup is an 11-year old, full of life and adventure. At age 9, he lost his foot and his parents in an automobile accident and ended up on the streets. Esmeralda found him one day while shopping and took him into her home, being the first adopted child of their family. He is wheelchair bound, but it doesn't stop him from living life to its fullest. He has a crush on his classmate, Astrid, who shares similar feelings to him and constantly defends him from the antics of the school bully, Snotlout. He loves to play with his family, paint and draw, care for his pet dog, Toothless and do special events with his family.

Elsa and Anna Arendelle: Elsa and Anna are 12 and 9, respectively.

They were orphaned after the death of their parents in the "Costa Concordia" disaster and went through several foster homes, seperate from each other before Esmeralda and Phoebus adopted them at ages 11 and 8, reuniting them after 2 years. Anna is adventurous, clumsy and boy-crazy, while Elsa is somewhat shy, creative and caring. Both of them are skilled singers and love to help out their brother, Hiccup whenever his wheelchair causes problems.

Tarzan Clayton: Tarzan is a fun-loving, 8-year old. He was found after his parents were murdered by Sabor, a lunatic murderer who was finally killed in a police fire fight. Esmeralda and Phoebus adopted him when they saw him compete in a local gymnastics competition, where he one the prize for his orphanage. He loves his brothers and often will go to Hiccup for advice or just for a loving hug.

RenÃ©e Punselle "Rapunzel" Corona: The creative and jumpy 10-year old of the family, Rapunzel's parents were lost and died of some unknown reason. Phoebus adopted her after she helped Anna get out of a wrongful punishment at school and she was instantly accepted by her foster siblings. Some of her hobbies are creating with Hiccup, singing with her sisters and caring for her pet lizard, Pascal.

Jack "Frost" Overland, Jamie, Janey and Sophie Bennett: Jack, Jamie, Janey and Sophie Bennett are the most recent additions to the family. Their parents were killed in an avalanche, which they are still deeply affected by, but they love their new family equally as much. Prior to joining the family, Jack dated Elsa, but now it seems awkward. Despite this, Esmeralda has encouraged them to continue if they want. Jack has always cared deeply for Hiccup and being his brother has only reinforced their bond. Jamie, Janey and Sophie are also close to Hiccup and love spending time with their family. Jack is 12, Jamie and Janey are 7 and Sophie is 5.
